

A wide-angle photograph of a tropical beach scene. The foreground is filled with lush green foliage, including palm trees and dense bushes. The middle ground shows a vast expanse of clear, turquoise water that transitions into a deeper blue as it stretches towards the horizon. In the background, a range of dark, forested mountains or hills is visible under a bright blue sky with a few wispy white clouds. The overall atmosphere is serene and idyllic.

mase[®]

modular artifacts to surprise and enjoy

MASE modular homes are a perfect solution to enjoy living everywhere you wish. Based on recycled shipping containers and developed to supply every single need, they can be easily installed in a short time. Wood, steel and Viroc are the combination of materials that will ensure confort during your stay. Escape from the city mess and get the most of nature.

Home 1/1	p. 1
Home 2/1	p. 12
Home 2/2	p. 28

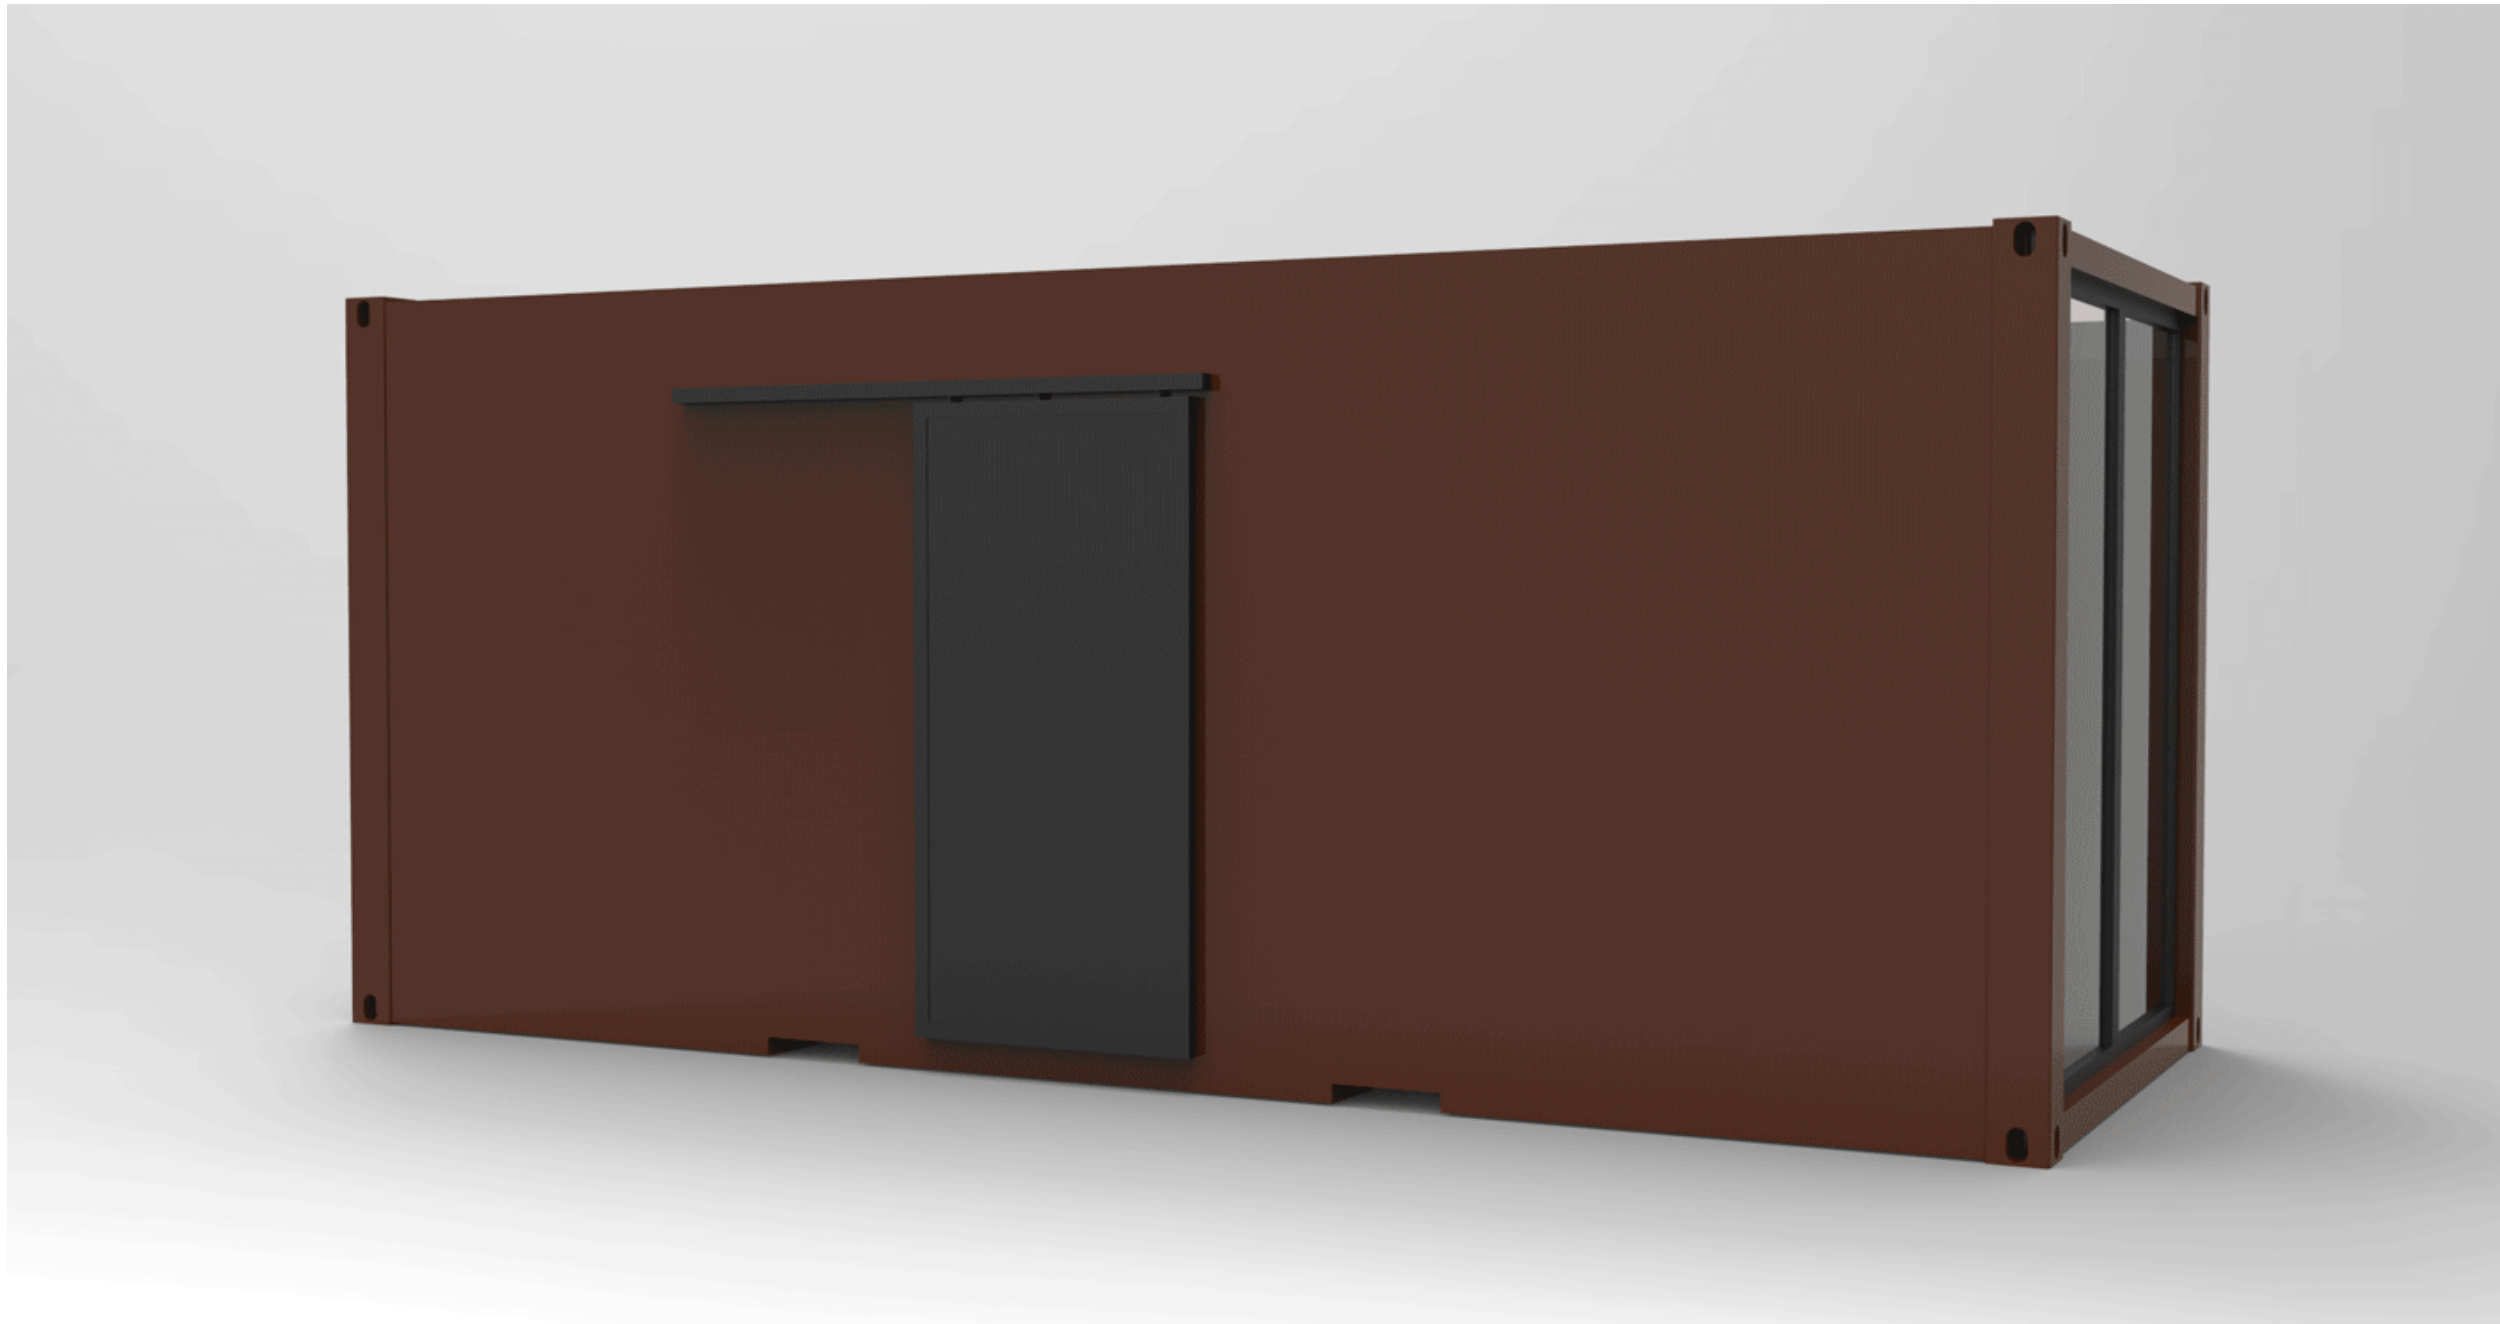

A landscape photograph showing a field of tall, golden-brown grass in the foreground, leading to a line of green grass. A single, leafy green tree stands in the middle ground. The sky is blue with scattered white and grey clouds. The text is overlaid on the left side of the image.

Home 1/1 is the smallest and more portable of our home range, combining bedroom, kitchen, livingroom and bathroom in about 14 sq ft. The interior design was thought to maximize the available space, including furniture with double function solutions. The only thing that is missing is your final touch.
