

A wide-angle photograph of a large, modern industrial-style interior. The ceiling is made of light-colored wooden beams. Large windows on the right side let in natural light, and there are several arched doorways and columns. The floor is made of large, light-colored tiles. In the foreground, there are three white line drawings of modular shelving units. The first unit on the left is a low, wide structure with four rectangular compartments. The second unit in the center is taller, with a top section divided into four quadrants and a lower section with four rectangular compartments. The third unit on the right is a tall, narrow structure with a grid of small squares at the top and a single rectangular compartment at the bottom.
